OUR PURPOSE

Members of the General Federation of Woman's Clubs (GFWC) are united by a dedication to community improvement through volunteer service. The GFWC is the largest, non-denominational, non-partisan, international volunteer organization in the world. It is comprised of 50 states federation, in addition to the District of Columbia and Puerto Rico, with approximately 170,000 members nation-wide.

GFWC clubs are encouraged to focus efforts on activities that meet local needs, but all are united under an umbrella of program areas whose flexibility has provided a framework for over 114 years of accomplishments.

OUR HERITAGE

The Brentwood Woman's Club (BWC) began in November 1973 and in March 1974 the GFWC accepted our charter.
